"The South 40"

by JAMES A. SMITH
EXTENSION AGENT

If we can get a break in the weather a lot of tobacco plant beds are going to be seeded.

There is one important thing that needs to be done before seeding:

1. Get the plantbed to control weeds, insects and nema todes. At this time of year the "hot gas" method of treatment is preferred.

* * *

The fire-cured tobacco market is scheduled to close this week. Check the daily paper for a possible clean up date.

* * *

Exports of Virginia fire cured tobacco declined one million pounds in 1971-72. About six tenths of the total goes to Norway where it is made into snag tobacco for roll your-own cigarettes and smoking tobacco. By hand rolling their cigarettes, Norwegians can save about half the $1 per pack cost of heavily taxed factory made cigarettes.

* * *

How do you go about selecting a corn hybrid? I'll admit it's a tough job anyway you figure it. The 1972 Virginia Corn Performance Trials are available for your use. Stop by and pick up a copy. It gives the results of all hybrids tested in six locations.

There are two hybrids that will be new to most Appomattox farmers. They did quite well at most locations. They are Trojan TXS113, a mid season variety, and Trojan TXS111, an early hybrid.

I think it's well to try one or two new hybrids each year. It's the best way to determine how they will perform on your soil under your management.

A few hog producers are strongly considering one of the high lysine varieties.

* * *

Many of the major corn producers code their hybrids to provide condensed information. Maybe a brief explanation will be helpful.

Two numbers in DeKalb hybrids such as DeKalb XL 66 or XL 44 indicates a single cross. Where the number begins with an XL 347 or XL 374 this is a three way cross. With Pioneer the higher the second number the earlier the maturity, that is Pioneer brand 3773 is a very early hybrid and 3516 is a early hybrid. 3369A is a medium maturing hybrid. 3147 is a late hybrid and 3948 is a very late hybrid. The opposite is true for Funk. The lower the second number, the earlier the maturity; where the 4042 is very early, 3757 and 4761 are medium late hybrids. With Trojan the TXS stands for single cross and TX stands for other hybrids such as three way or special hybrids. Southern States maturities start with the lowest such as Southern States 698 which is very early, 750 medium early and 850 medium and 969E is late.

* * *

In late December hog cholera was confirmed in two Virginia swine herds consisting of 132 hogs. An additional nine exposed herds of 186 head were also depopulated.

There are three important controls: watch indiscriminate movement of hogs, destroy any vials of hog cholera serum on hand, don't feed garbage to hogs.

* * *

We're in the midst of a pet population explosion.

Every hour 2,000 to 3,500 dogs and cats are born in the U.S. This compares with a human birth rate of 115 per hour.

At this rate we'll have nearly 200 million cats and dogs by the middle of the next decade.

Early puberty, large litter size and short pregnancy make dogs 15 times and cats 30 to 45 times as fertile as humans. Under ideal conditions a female dog could produce 4,400 off spring in seven years.

The pet food market was $1.35 billion in 1971 and is estimated to increase to $2 billion by 1977. Six billion pounds of dog and cat food were consumed in 1971.

86 Receive FFA Greenhand Certificates

David Wheeler, second from the left, President of the Senior F.F.A. Chapter, presents Greenhand Certificates to Ronnie Davidson and Kenneth Belter, the selected greenhands that recited the F.F.A. Creed during the official initiation ceremony.

Shown above from left to right are B.F.Sauls, David Wheeler, Ronnie Davidson, Kenneth Belter and Herbert Pankey.

The Appomattox Junior Chapter of F.F.A. conferred the Degree of Greenhand upon eight six of its new members Thursday night at the Appomattox Intermediate School auditorium. Approximately 225 parents, members, and guests attended the meeting.

The program began at 7:30 p.m., with devotions by Tye Beasley, Chaplain; followed by the official opening ceremony presented by the officers of the Junior Chapter F.F.A. The meeting was led by the 1st Vice President, Herbert Pankey, who filled in for the President, Donnie Thornhill, who was absent due to sickness. Other officers present were: 2nd Vice President, Keith Coleman; Secretary, Jack Smith; Treasurer, Richard Blazer; Reporter, Jeff Harrison; Sentinel, Bennett Paulette.

Herbert welcomed the parents attending and commended them on the progress made by their sons.

An explanation of the Greenhand Degree and the requirements for candidacy were given by B.F. Sauls, one of the Chapter advisors, followed by the official initiation ceremony presented by officers of the Senior F.F.A. Chapter who were as follows: David Wheeler, Brent Washburn, Doug Webb, Mike Gallier, James Torrence, Jessie Morgan. Also serving as conductors were Steve Lamb, Hal Smith and Mark Stratton. A slide presentation, "F. F. A. - Youth with a Purpose", was given by Keith Coleman and Jack Smith.

Following the closing ceremony open house was held in the Agriculture Building and refreshments were served.

The following candidates were conferred with the Degree of Greenhand in the Future Farmers of America.

CANDIDATES FOR GREEN HAND DEGREE

Wayne Austin, John Bailey, Roger Baldwin, Anthony Barnes, Kenneth Belter, Richard Blazer, David Bohannon, Cecil Booker, Ervin Brooks, Tommy Bryant, Steve Burnette, Danny Carson, Kenneth Carter, Joseph Chambers, Michael Covington, James Culpepper, Lyle Culpepper, Ronnie Davidson, Kenneth Davis, Timmy Doss, Benny Drinkard, Mitch Eggleston, Darnell Evans, Manley Ferguson, Tony Ferguson, Joe Ford, Kenneth Franklin, Lloyd Franklin, Reggie Franklin, Donnie Gillispie, Roger Godsey, Russell Gunter, Perry Harris, Thomas Harris, Donald Harvey, Ronald Harvey, William Henry, Randy Hipps, Tom Hix, Kent Hodges, Buddy Hudson, Phillip Jamerson, Michael Jarrell, David Jones, James Jones, Stanley Jones, Jackie Kerr, Steven Lawhorne, Lloyd Litchford, Hunter Marshall, Mark Marshall, Dean Martin, Lewis Martin, Mike Martin, William Meggingson, Larry Mobley, Fleming Moore, Timmy Moore, Bud Moses, Adolphus Mosley, Clarence Mosley, Allen Nash, Baxter Parris, Bennett Paulette, William Perdue, Jeff Puryear, Eddie Ragland, Ted Rickmond, Wesley Riley, James Robinson, James Roger, Lonnie Rogers, David Roope, Joe Rosser, Bill Shorter, Nathan Smith, Tony Snell, Donald Stanley, Ralph Stanley, William Trent, Marco Turner, Derek Tweedy, Marshall Watson, Bob Weatherly, Tommy Wingfield and Jerry Womack.

Producers Get Notice Of 1973 Feed Grain Bases & Wheat Allotments

Notices of farm feed grain bases, wheat allotments, conserving bases, and established yields for 1973 are being mailed to producers by the Appomattox Agricultural Stabilization and Conservation Service (ASCS) county office, reports ASC Committee Chairman, James R. Ford, Jr.

Producers should take a good look at the official notice as soon as it is received, Mr. Ford said, pointing out that if a farmer believes a mistake has been made in figuring his yields or feed grain base or feels he has been treated unfairly, he has 15 days from the date of the notice to file a written request for reconsideration.

"If a farmer has any question he should get in touch immediately with the ASCS county office," the chairman said. "If he wants the ASCS county committee to reconsider, he must file this request in writing within the time limit."

Mr. Ford pointed out that farmers may appeal to the state committee if he still feels there is a mistake or an inequity after the county committee has reconsidered.

Appeals on conserving bases may be made any time through March 16, which is the last day program sign-up, but appeals on wheat yields, feed grain yields and feed grain bases must be made by or before February 9, 1973 which is the 15th day from the date of the official notice.

The appeal period for wheat allotments was several months ago when producers received their first official notice following announcement of the 1973 program. The current notice serves only as a reminder to the producer of his farm's wheat allotment, Mr. Ford said.

Sign-up for the 1973 feed grain and wheat programs begins Feb. 5 at the ASCS county office and continues through March 16.

The ASC Committee Chairman reminded producers that requests for measurement service and set-aside inspection are being accepted now at the county office and said the earlier such requests are made, the earlier the service will be provided. Measurement services are provided at cost by the ASCS county office in order to help farmers be certain they are complying with requirements of farm programs in which they participate.

Heart and blood vessel diseases will cost the American economy an estimated $19.5 billion and cause 52,000,000 lost work days in 1973, according to your Heart Association.

DUDLEY RECEIVES Ho AT VA. TECH

William C. Dudley, II of Mr. and Mrs. W. C. Du Jr., of Appomattox, wa cently initiated into the Lambda Chapter of Alph Alpha on the Virginia technic Institute and University campus. Alpha Alpha is a national, profe al honorary fraterni for dents in the Agricultural cation curriculum.

SEVENTH DAY ADVENTIST
Rufus B. McDannel, Pastor
Sabbath School Lesson No. 4 January 21-27
Subject –The Human Media
Scripture Text; "Surely the Lord God will do nothing but he revealeth his secret unto his servants the prophets. The lion hath roared, who will not fear? the Lord God hath spoken, who can but prophesy?" Amos 3:7,8
Sabbath School — 10 o'clock
Worship Service — 11:15 a.m.
People of all denominations are invited to come to the "Little Friendly Church on Court St. in Appomattox and worship with us. Time is fast running out, each day brings us nearer our Lords soon coming in the cluds of glory to take "His Remnant Church Home". My daily prayer is May we all be ready for the mansions He is preparing for us.

CHRISTMAS SEAL CAMPAIGN
Dr. E. Cato Drash, professor emeritus at the University of Virginia School of Medicine and Virginia's honorary Christmas Seal Campaign chairman, announced recently that the 1972 Christmas Seal Campaign is $124,800 short of the goal of $1,040,000 to be raised in the state of Virginia. The Central Virginia Tuberculosis and Respiratory Disease Association reported that as of December 31, 1972 the local campaign was $7,103.14 short of their goal for their eleven county area.

"The Virginia Tuberculosis and Respiratory Disease Association" he said, "serves the whole state, having 10 local units and 3 affiliated organizations in Richmond, Norfolk and Fairfax.

"We who are directly concerned with the problems of caring for patients suffering with respiratory diseases such as emphysema and tuberculosis fully recognize the need for funds to help these people", he went on.

"Professional education for doctors and nurses caring for respiratory disease patients is a must, and the TB-RD Association has done much in the past in this area," Dr. Drash stated. "There is still a great deal to be accomplished and we need the public's support if we are to continue seeking the best methods of respiratory care."

A follow-up reminder that there is still time to contribute to the 1972 Campaign is now in the mail. Last December 4, 4; 500 return envelopes having contributors' names and addresses on them were stolen in transit to the computer headquarters in Fairfax for processing. The Association requests that anyone who has already contributed and receives the follow-up reminder, please send his name and address and the amount of his contribution to the Virginia Tuberculosis and Respiratory Disease Association, P.O. Box 7065, Richmond, Virginia 23221.

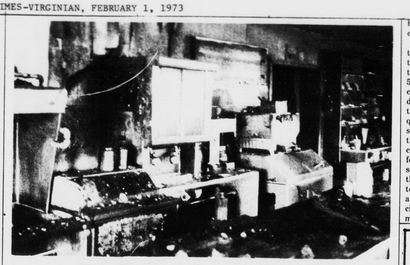
Fire Destroys George's Snack Bar



George's Snack Bar on Confederate Boulevard, owned and operated by Mr. and Mrs. Jerry George, was destroyed when a fire of undetermined orgin broke out in the building early Saturday morning.

The Appomattox Volunteer Fire Department responded to the fire call at about 4:00 a.m., using three fire trucks and 14 of the volunteers.

Although unofficial, the fire apparently was electrical and is reported that it may have been caused by lightening. There is no estimate at this time on the damages to the Snack Bar but all the equipment was ruined, adding machine, cash register, television set, air conditioner, and many other pieces of equipment were completely melted . . . including the telephone. The walls and ceiling were also burned but some of the booths were undamaged.

No damage was done to the adjoining antique shop, operated by Mr. and Mrs. Percy George.

The Snack Bar was equipped with a sprinkling system but, even with the intense heat from the fire, it failed to work.

According to Mr. and Mrs. George work will begin immediately on the re-building and plans are for George's Snack Bar to re-open within 30 days.

GOLDEN 50TH ANNIVERSARY

1973. We're calling it the Golden Year. A year for exciting, good things to happen! Things like the opening of our fourth Lynchburg office. A big 50th Anniversary celebration. New ways to help you get more for the money you save in our high-interest savings accounts. This could be Lynchburg's Golden Year for home building and home buying, and we have the kind of sound, economical financing to make it a reality. Finally, we sincerely hope this will be the year when you'll become one of our many, happy customers.

Come share this Golden Year with us!
